

Crop Codes for Compost Testing Form

Compost fertilizer recommendations based on your compost test results will be supplied along with the test results if you indicate a Crop Code. Please write the appropriate Crop Codes on page 1 of this form. Compost reports are reported on an "as-is" basis and account for losses during application.

AGRONOMIC CROPS

Crop Code Field Crops

- 1 Corn, non-irrigated (10/M/A)
- 2 Corn, non-irrigated (12/M/A)
- 3 Corn, irrigated (12/M/A)
- 4 Corn, irrigated (20/M/A)
- 5 Corn, irrigated (25/M/A)
- 6 Corn, irrigated (30/M/A)
- 7 Grain sorghum
- 8 Small grains for grain
- 9 Cotton
- 10 Peanuts
- 11 Soybeans
- 12 Tobacco
- 13 Sugarcane

Crop Code Pasture and Forage Crops

- 14 Summer annual grass, 1 cycle
- 15 Summer annual grass, 2 cycles
- 16 Summer annual grass, 3 cycles
- 17 Hay, improved grass, 2 cuts
- 18 Hay, improved grass, 3 cuts
- 19 Hay, improved grass, 4 cuts
- 20 Sorghum for silage
- 21 Warm-season legumes
- 22 Cool-season legumes
- 23 Alfalfa
- 24 Bahiagrass
- 25 Cool-season annual grass, 1 cycle
- 26 Cool-season annual grass, 2 cycles
- 27 Cool-season annual grass, 3 cycles
- 28 Wheat for grain

FRUIT CROPS

Crop Code Crop Description

- 70 Citrus
- 50 Pecan trees
- 51 Pine trees
- 60 Other

VEGETABLE CROPS

Crop Code	Crop Description	Crop Code	Crop Description
217	Beans, pole	199	Pepper
227	Collards	211	Squash
220	Corn, sweet	200	Tomato (unmulched)
210	Cucumber	201	Tomato (mulched)
203	Eggplant	221	Watermelon

SAMPLE CODES

Code Compost

- 51 Composted dairy solids
- 52 Composted poultry broiler litter
- 53 Composted poultry layer litter
- 54 Composted poultry mortality
- 55 Other composted material
- 41 Other solid material
- 42 Other liquid material

APPLICATION CODES

Crop Code Application Equipment Code Description

A6 Other

Incorporation Code Description

B1 Material will be incorporated within 24 hours.

B2 Material will NOT be incorporated within 24 hours.

Previous Application Codes

C1 Compost was applied to the field last year.

Test Code	Test Name	Determinations Made	Test Cost
1	Standard Compost Test	pH, N, P, K, NH-4, % moisture, % solids, % ash	\$35
2	Micronutrients	Cu, Zn, Mn	\$5
